Sir,

Subject - Purchase of a Typewriter for the use of the Head Office - Clerk - Sanction prayed for.

Adverting to your letter No L 1430/M1 2-6-43 dated 28th September, 1946 calling for information on certain points relating to the above subject, I have the honour to furnish the information required below -

Points	Information
1 Is there a typewriter in use in the Head Quarters at present	No
If so, what is the make and what has been its cost?	Does not arise
How would this be disposed of, in case a new one is purchased?	-do-
Is there a qualified typist in the office and if not, how is typing now being done at present?	No, there is no qualified typist, but the Head Clerk does the typing

The fact is that Mr. C D Nara and Rao non-official President has an old portable type writer which he has personal proper and has allowed it to be used for typing office papers, the Head Clerk doing some typing.

The object is to have a machine for the office permanently as the work of the office has increased about all. It is reported that arrangement will be made to entertain a qualified typist from among the clerical staff sanctioned for the Municipality as soon as the typewriter is allowed to be purchased.

I request therefore that sanction may kindly be accorded for purchase of a Typewriter as above.

I have the honour to be,
Sir,
Your most obedient servant,
S Suryanarayana Rao
